A Reflection.

I will love the sun for it warms my bones,

Yet I will love the rain for it cleanses my spirit.

I will love the light for it shows me the way,

Yet I will love the darkness for it shows me the stars.

I will love happiness for it enlarges my heart,

Yet I will endure sadness for it opens my soul.

I will acknowledge rewards for they are my due,

Yet I will welcome obstacles for they are my challenges. (Ron Morgenson)

Thought: If we magnified blessings as much as we magnified
disappointments, we would all be much happier.
