Our Churches are Open: Call to Say a Prayer. Remember that during these days Churches throughout the Diocese of Clonfert are open except during Mass times. Why not call to say a private prayer, light a candle or pick up the Parish Newsletter or other spiritual material that may be available. Please obey the social distancing rule – keep at least two meters apart and don't congregate in close groups! If lighting a candle do so safely. Please pray for protection. Pray for all those who are sick. Pray for our medical staff who are working so hard. Pray for our priests. Pray for our civil leaders. Pray for our scientists who are working to try and understand what is happening. Diocese of Clonfert Prayers at Home when Gathering for Mass is not Possible In these extraordinary times are available in the church or downloaded from www.clonfertdiocese.ie While they can be prayed at any time, a good time to do so is at the normal scheduled Mass time. If, as a faith community, we cannot be together physically let us join together spiritually!

Parishes Reaching Out: Bishop Duignan has urged all parish communities in the Diocese to reach out, to those in our community who are or who will be in need because of the current situation. It might mean mobilising groups of people to make appropriate contact with those who are living alone or isolated, offering to do some shopping, get medicines or run other errands or simply telephoning people to assure them that someone is there and cares.
