Thank you so much for your contributions to the continued upkeep of our Parish and the various other collections. They are very much appreciated.

**Thank You:** for attending our parish weekend and weekday masses and to the volunteer stewards and sanitisers facilitating our safety at this time.

**A Little Reflection:** In between where you once were and where you are heading, is where you are right now. You can't undo where you were, and you can't get to where you are going any faster than one day at a time. The only things that are in your control are the direction you face and the actions you take today. Other than that, enjoy the good people around you, the fresh air and the sun, and realise that you can do that no matter where you are, but it is best to do it daily. The scenery, though often subtle, is always changing.  
Doe Zantamara.

**Thought:** Always remember to forget the things that made you sad.  
But never forget to remember the things that made you glad.  
Always remember to forget the troubles that have passed away.  
But never forget to remember the blessings that come each day.
