**Baptised:** Congratulations to Amelia Grace Keegan, Daughter of Kenneth and

**New Year Reflection:** The path to self-growth is not self linear. It is a  
meandering journey through mountains and valleys, and perhaps there are  
more lows than highs. But it is a journey ever onward, and it is our inner  
light. The light that exists in each of us, that lights the way, if only we allow it  
to guide us. Invite yourself to embrace every aspect of your being. Perhaps  
there will be times that you feel less than whole, but when those moments  
come, encourage yourself to remember a time when you made the world a  
more positive place. Regardless of where you are on your path, that moment  
matters. The moment you share your light, the world becomes a brighter  
place.

**Thought:** Always bear in mind that your own resolution to succeed is more  
important than any other. (Abraham Lincoln).

A Happy and Healthy New Year 2021 to you all.
