### New Year Blessing:

May God bless you and keep you. May God's face shine upon you and be gracious unto you. May God give you the grace not to sell yourself short. The grace to risk something big for something good. The grace to remember that the world is now to dangerous for anything but truth, and too small for anything but love. May God take your eyes and see through them. May God take your lips and speak through them. May God take your hands and work through them. May God take your heart and set it on fire.

**Thought:** A New Year – a new book, a new chapter, a new page, or just a rehash of the same old story? Ultimately, we write it. The pen is ours.

A Happy, Healthy and Safe New Year 2021 to you all.
