Renew and Strengthen your People: Pope Francis has often spoken of the idea of "pastoral conversion". He speaks of his dream for a Church that moves from an outlook of mere self-preservation to one more akin to that of those first Christians. An outlook where, as a people of faith, our genuine friendship with Jesus is evident, our joyful enthusiasm to share our faith contagious and our authentic practical living out of the faith in our lives transformative far beyond the Christian community."

Thought: Plant seeds of expectation in your mind. Cultivate thoughts that anticipate achievement. Believe in yourself as being capable of overcoming obstacles and weaknesses. Norman Vincent Peale.
