**Lough Derg 2021:** Lough Derg regrets that it will not be possible in 2021 to reopen Station Island for the Traditional Three Day Pilgrimage or even for the autumn programme of Day Retreats. Lough Derg will again offer the opportunity to “Do Lough Derg from wherever you are” on 3<sup>rd</sup> – 5<sup>th</sup> July. **Renew and Strengthen your People:** Pope Francis holds that our pastoral ministry should seek to abandon the complacent attitude that says: “We have always done it this way” and he invites “everyone to be bold and creative in this task of rethinking the goals, structures, style and methods of evangelisation in their respective communities”. The Pope is not talking about reworking the fundamentals of Christian doctrine, but rather about a radical reform and refocusing of the way the Good News is presented, along with the structures needed to support vibrant Christian communities.

### *The Helping Hand.*

*If when climbing up life's ladder  
You can reach a hand below,  
Just to help the other person  
Up another rung or so,  
It will be that in the future,  
When you're growing weary too,  
You'll be glad to find there's someone  
Who will lend a hand to you.*

**Thought:** God gave us the gift of life. It is up to us to give ourselves the gift of living well.
