### Dare to -

When a new day begins, dare to smile gratefully.  
When there is darkness, dare to be the first to shine a light.  
When there is injustice, dare to be the first to condemn it.  
When something seems difficult, dare to do it anyway.  
When life seems to beat you down, dare to fight back.  
When there seems to be no hope, dare to find some.  
When you are feeling tired, dare to keep going.  
When times are tough, dare to be tougher.  
When love hurts you, dare to love again.  
When someone is hurting, dare to help them heal.  
When another is lost, dare to help them find the way.  
When a friend falls, dare to be the first to extend a hand.  
When you cross paths with another, dare to make them smile.  
When you feel great, dare to help someone else feel great too.  
When the day has ended, dare to feel as if you have done your best.  
Dare to be the best you can-  
At all times, dare to be. (Steve Maraboli).

**Thought:** There are days I wish I could change things that happened in the past. I am consoled by the reality that the rear view mirror is so small and the windscreen is so big in my car. It leads me to believe that where you are heading is much more important than what you have left behind.
