History Lecture: The rearranged South East Galway Archaeological Historical Society lecture by Donal Boland is on Tues March 20th at 8pm at the Workhouse.

Thought: Remember to look up at the stars and not down at your feet. Try to make sense of what you see and wonder about what make the universe exist. Be curious. And how ever difficult life may seem, there is always something you can do and succeed at. It matters that you don't just give up. Stephen Hawking 1942-2018.
