World Day for Grandparents and the Elderly Sunday 25th July:

Pope Francis has established a World Day for Grandparents and the Elderly, which will take place for the first time on Sunday 25th July. In doing so he is recognising the role and vocation of Grandparents and the Elderly in passing on their faith to the next generation. Grandparents and the elderly are often overlooked, but this new day in the Universal Church calendar is a momentous achievement for Grandparents and the elderly and will hopefully reassure them that they are loved and that they are needed. It is refreshing also to note the renewed commitment by the Church for the Pastoral Care of the elderly, a group of people who have suffered greatly during the Covid-19 pandemic due to being isolated from family, from their faith and from many of their daily supports. Next Sunday we will remember and pray for all grandparents and members of our communities who have had a formative influence on us, especially when in sharing the faith.
