**Faith:** A relic of the past or a living encounter with Jesus in the present? Pope Francis emphasises that faith is not something to be confined to the past or treated as a relic, but rather it is a living encounter with Jesus that has the power to transform our lives. Over six sessions each Tuesday starting on 24<sup>th</sup> October from 7.30 – 8.45pm we will look at our faith from a Biblical perspective and understand how it has implications for our lives as disciples. We live in a changing world, a changing Church and, more than ever, we need to be aware of the centrality of our faith in the person of Jesus Christ. All conferences will be on Zoom and facilitated by Fr. Gerard McCarthy, SVD. To participate, please register at office@clonfertdiocese.ie before Friday 21<sup>st</sup> Oct.
