**Booking of Masses / Baptisms / Weddings / Funerals:** We would like to remind parishioners who may ask priests (other than the priest of the parish) to celebrate Mass or sacraments to be conscious of adhering to the Mass times and practices around the Sacraments currently in place in their Parishes. No Mass or celebration of the Sacraments should be scheduled without speaking with the local parish priest or moderator responsible for the parish. Given the present situation where a priest may be responsible for more than one parish it is necessary to adhere to the schedule that has been established.
