In November we Remember: As winter approaches, these November days
shorten. The leaves turn brown and red and gold and fall to the ground. All
of nature seems to be dying – entering its annual winter slumber. At the
same time Christian people turn to those who have died and remember
them in prayer and at mass. Our remembrance is filled with hope. Hope
that just as in nature, after Winter there comes the Spring, so too after
death comes eternal everlasting life with God in heaven.
